16	1	1	5	9
100%	6.25%	6.25%	31.25%	56.25%

Resume:

The "WendyBird" product isn't ready to release. There was found a bug that cannot allow users to confirm their registration using a message in email with Link. First of all, need to fix the following bugs of medium level: SEN-61, SEN-60, SEN-59, SEN-58, SEN-19. Mid-level bugs are responsible for implementing core functionality.
