Resume:

The "SendyBird" product isn't ready to release. There was found a bug (SEN-154), that cannot allow users to restore their passwords. First of all, need to fix the following bugs of medium level: SEN-140; SEN-143; SEN-144; SEN-146; SEN-149; SEN-183; SEN-188; SEN-196; SEN-202; SEN-204. Mid-level bugs aren't responsible for implementing core functionality.
